Skill-Up

CIVIL | ENERGY | TELCO | WATER

NZC Roadmarking

This programme marks the fundamental skills needed to work in roadmarking.
With optional strands in Piloting, and Raised Pavement Markers.

WHAT YOU'LL LEARN

This programme covers:

- Standard roadmarking processes.
- Working safely and responsibly with others while on-site.

HOW THE COURSE IS DELIVERED

On-job assessment through workbooks which are printed and provided to you.

ENTRY REQUIREMENTS

The learner must be employed in the roadmarking industry and be exposed to the relevant skills covered.

TRAINING PATHWAYS

Graduates of this entry-level qualification will gain concrete endorsement of their skills to work in roadmarking. Upon gaining this qualification, graduates can progress to the NZ Certificate in Roadmarking (Level 3).

STRANDS

This programme has the following strand options:
The **Piloting** strand covers using pilot vehicles.
The **Raised Pavement Markers** strand covers installing and removing raised pavement markers.
