GATEWAY ENROLMENT FORM

Power Up – Energy Gateway Programme

Micro-Credential in Introduction to the Electricity Supply Industry (Level 2, 19 Credits)

This Micro-Credential (MC) will introduce students to the Electricity Supply Industry and is for students in Year 11, 12 or 13.

At the completion of this MC, students will be able to:

- Give an overview of plant and equipment.
- Identify electricity systems used in the electricity supply industry.
- Use personal protective equipment to keep themselves and others safe.
- Have an understanding of the electricity supply industry.

This MC is completed through theory workbooks or eLearning. This programme is also available through the free eLearning app 'Totara'. Totara allows quick and secure access to eLearning programmes, courses and assessment activities whenever and wherever it suits.

Completing this MC, along with the *Introduction to the Electricity Supply Industry* and first aid unit standards 6401 & 6402, allows students to be awarded the *New Zealand Certificate in Electricity Supply (Introductory) Level 2.*

Power Up – Energy Gateway Programme includes:

- Gateway Information.
- Learner assessment and notes or eLearning logins for online resources.
